

## High School Summer Class Cards

Each summer Dance Xplosion makes a special exception to its registration policies and allows members of approved area Drill Teams, Dance Teams and Color Guards to purchase a "High School Summer Class Card" rather than enroll in specific, weekly classes. Contact DXP for a list of approved teams. Dance Xplosion will receive the team rosters from the area high school Directors to confirm eligible dancers.

Dance Xplosion offers 8 weeks of summer classes, split into two 4-week Sessions:  
Session 1: June 10-July 13 (closed July 1-6) = 4 weeks of classes  
Session 2: July 15-August 10 = 4 weeks of classes

With a High School Class Card you may attend any class on the schedule IF it is the correct age and ability level.

Class spots are filled on a first-come, first-serve basis! There is a limit on # dancers allowed in each class. We HIGHLY recommend that dancers begin taking their classes as early as possible in the summer. If all dancers wait until Session 2, classes will be over capacity and there will be people who are unable to get their required # of hours.

### Reserving Class Spots

Every class will have a new sign-up sheet each week. Dancers may call after 9am on the class day to reserve a spot for that day's class(es) only. A waiting list will be created for each class and students who reserved their spot will be replaced if not present when class begins.

DXP does allow high school students to fully enroll in classes instead of buying a Class Card. Enrolling in class guarantees a spot is reserved for the dancer each week.

\*Dancers should check with their high school Director regarding their policy as some require the Class Card.

### Rules & Regulations

- Your HS Summer Class Card MUST be present to take class – NO EXCEPTIONS!
- High School Summer Class Cards expire the last day of Summer Session 2 (August 10) – NO exceptions.
- Unused summer classes cannot be applied to privates, retail or future classes/camps/intensives at DXP.

### Dance Intensives for Hour Fulfillment

DXP will allow 1-Day Intensives to satisfy 6hrs of summer requirements (we will sign your sheet for 6hrs).

However, **Intensives must be registered for and paid for separately**, i.e. students cannot apply classes from their class card to pay for intensives. *Intensives are NOT for beginner dancers so please ask about applicability.*
