**BROADWAY CONNECTION** is the leading provider of Broadway level training and performing arts education in the country. Our BC Faculty includes performers, choreographers, directors and agents from every Broadway production and National Tour who are excited to teach and share their experiences with students of Dance Xplosion! As cast members of Broadway's biggest hits, they will teach the styles of dance seen in each show and share insider information on current auditions, Broadway trends, education and much more. Students will be exposed to fresh, cutting edge choreography and inspired to reach their dreams while dancing, singing and acting with Broadway's best!
