

Private Instruction

Private Instruction is available to all registered and non-registered students.

CHOREOGRAPHY

Solos, Duets, Trios

The dance choreography is taught in a total of 3-hours. The 3-hours can be taught in one large block or split into smaller blocks (smaller blocks recommended for younger dancers). If time remains after choreography instruction is complete it will be used for polishing.

FEES: \$225 per solo / \$160 per dancer in a duet / \$160 per dancer in a trio

ADDITIONAL POLISHING SESSION FEES: If you would like additional polishing sessions, the cost is a total of \$25 per half-hour or \$40 per hour whether for a solo, duet or trio (fee can be split among dancers for duets and trios).

NOTE: Only current Dance Xplosion Company Members can compete/perform under the Dance Xplosion name. The only exception is if a dancer was previously a member of DXP's Elite Company for at least 1 year. Solos, duets and trios can be choreographed for non-Company Members but they cannot compete/perform under the Dance Xplosion name. *Company Members must receive approval from Amber before moving forward on a solo, duet or trio and costs are as noted above.
