

Summer Class Cards can be purchased for use during DXP summer classes ONLY.
 During Summer 2019 Dance Xplosion offers 6 weeks of summer classes:

Summer Class Session
 June 17 - August 3 = 6 weeks of classes
 No Classes July 1-6

IMPORTANT...
LAST DAY of class is AUGUST 3, 2019

With a Summer Class Card you may attend any class that is the correct age AND ability level. Look for classes that are marked with ***HS*** on the Summer Class Schedule. If you feel you should be taking a higher-level class, please consult with the DXP front desk and/or DXP teachers. Some school Directors require certain types of classes and it is your responsibility to know your requirements.

Reserving Class Spots

Class spots are filled on a first-come, first-serve basis! There is a limit on # dancers allowed in each class. We HIGHLY recommend that dancers begin taking their classes as early as possible in the summer. If all dancers wait until the final weeks, classes will be over capacity and there will be students who are unable to satisfy their required # of dance hours.

*You will need to call EACH day to reserve your spot in that day's class(es).
 You cannot reserve spots in future days' classes.*

- Call DXP1 between 9am and 3pm to reserve your spot in class for that day. If you do not reach someone please leave a voicemail with your FULL NAME & CLASS(ES) you want to take, and we will add you to the class list.
- Note: the actual class may happen at either studio location but only DXP1 is open in the mornings to receive calls.
- After 3pm classes are on a walk-in, first come, first serve basis.
- Make sure to bring your Class Card and any Signature Sheet required by your school Director.
- If you are not present at the start time of a class your spot will be given to the next dancer on the list (for classes at capacity).
