

## Summer 2017 - High School Summer Class Cards

Each summer Dance Xplosion makes a special exception to its registration policies and allows members of approved area Drill Teams, Dance Teams and Color Guards to purchase a "Summer Class Card" rather than enroll in specific, weekly classes. Contact DXP for a list of approved teams. Dance Xplosion will receive the team rosters from the area high school Directors to confirm eligible dancers.

**Dance Xplosion offers 8 weeks of summer classes, split into two 4-week Sessions:**

*Session 1:* June 5-June 30 = 4 weeks of classes

*Session 2:* July 10-August 4 = 4 weeks of classes \*No classes July 3-8

**With a Summer Class Card you may attend any class that is the correct age AND ability level.**

Class spots are filled on a first-come, first-serve basis! There is a limit on # dancers allowed in each class. We HIGHLY recommend that dancers begin taking their classes as early as possible in the summer. If all dancers wait until Session 2, classes will be over capacity and there will be students who are unable to satisfy their required # of dance hours.

### Reserving Class Spots

Every class will have a new sign-up each week. *Dancers may call either studio location from 9am-4pm* on the class day to reserve a spot for that day's class(es) only. After 4pm classes are on a walk-in, first come, first serve basis. A waiting list will be created for each class and students who reserved their spot will be replaced if not present when class begins.
